

Recital Pictures: April 23rd - April 26th

Below is the recital picture schedule for the dance studio. Students are to come to the times listed in **BOLD** during picture week, instead of their regular class times. During picture times, students will have their group pictures and individual pictures taken. Children must arrive dressed in costume, make-up on, and hair done. No regular dance classes will be held during this week. **The fee for the group shot of your child's class picture to appear in the program book has been added to your account.** Also, money for individual ads in the program book must be paid on picture day. If you have any questions, please speak with the receptionist.
